Step 15: Click on the "Save" button

Congratulations! Your Chapter is now Setup in the updated TSA Membership System.

Step 16: Entering Information

You are not required to input your student members at the time of affiliation. Member names need to be submitted prior to any competitions. **Most importantly, do not submit a member's name unless you are sure they will be an active part of your TSA chapter. Once a student name is added to the chapter roster, that student is a TSA member for the year. Substitutions or refunds for membership are not permitted.**

Chapter information and chapter advisor tabs will remain red until you submit membership. By clicking those tabs, you can make changes to your affiliation.

Once you have made all edits and verified your affiliation, [submit your membership](#).

The screenshot shows the TSA Membership System Administration interface. At the top left, there are 'Home' and 'Logout' buttons. A dark blue bar on the right contains 'Membership Information' with a dropdown arrow. Below this is a navigation menu with 'Members' (white), 'Chapter information' (red), and 'Chapter Advisor(s)' (red) tabs. Other menu items include 'Total TSA', 'Invoice History', 'Quick Links & Help', 'Notifications', 'Surveys', 'Email', 'State Information', and 'National TSA Conference'. A secondary menu below has 'Add Members', 'Email All', and 'Submit Membership' buttons. A blue arrow points to 'Submit Membership'. Below that is another menu with 'Membership Download', 'Members With Access To Portal', 'Print Membership Cards', 'Print Membership Certificates', and 'Previous Year Count'. A search box is located below the menus. At the bottom, a table header lists columns: Status, Select, Membership ID, Last Name, First Name, Gender, Grade, Member Title, Submitted Date, Membership Date, Invoice Number, Edit, Request Change, Transfer History, and Delete. The table content is empty, displaying 'No data available in table'. The footer text reads 'TSA Membership System Administration'.
